- 64MB of RAM
- 24MB of available hard-disk space
- Additional 70MB of hard-disk space for Asian fonts (optional)

*Some features may not be available.

Installation

In order to use this CD-ROM, you will need Adobe Acrobat Reader version 4.0 or higher with the Search function. If you do not have this software, you can either install it from the CD-ROM (Windows or MAC version) or download and install it from the Internet.

To Install Adobe Acrobat Reader: For Windows 98/2000/NT/XP

On the CD-ROM, open the ACROBAT FOR WINDOWS folder, and double click on **AcroReader51_ENUfull.exe**. Follow the instructions on your screen.

For Mac/OS

On the CD-ROM, open the ACROBAT FOR MAC folder and double click on **Acrobat Reader Installer**. Follow the instructions on your screen.

Launching the Program

When you have the Adobe Acrobat Reader installed, open the "ISEC2003.pdf" file. (Use Windows Explorer or My Computer to find the file.)

Read "How to Use this CD-ROM" first.
